1. INTRODUCTION

1.1 At St Joseph’s College we hold the care, safety and wellbeing of children and young people as a central and fundamental responsibility of our College. Our commitment is drawn from and inherent in the teaching and mission of Jesus Christ, with love, justice and the sanctity of each human person at the heart of the gospel (CECV Commitment Statement to Child Safety).

2. PURPOSE

2.1 The purpose of this policy is to demonstrate the strong commitment of the College to the care, safety and wellbeing of all students at our College. It provides an outline of the policies, procedures and strategies developed to keep students safe from harm, including all forms of abuse in our school environment, on campus, online and in other locations provided by the College.

2.2 This policy takes into account relevant legislative requirements within the state of Victoria, including the specific requirements of the Victorian Child Safe Standards as set out in Ministerial Order No. 870. This policy applies to College staff, including College employees, volunteers, contractors and clergy.

3. PRINCIPLES

3.2 Catholic schools have a moral, legal and mission-driven responsibility to create nurturing school environments where children and young people are respected, their voices are heard and they are safe and feel safe (CECV Commitment Statement to Child Safety).

3.2.1 The following principles underpin our commitment to child safety at St Joseph’s College:

- All students deserve, as a fundamental right, safety and protection from all forms of abuse and neglect.
- Our College works in partnership with families and the community to ensure that they are engaged in decision making processes, particularly those that have an impact on child safety and protection.
- All students have the right to a thorough and systematic education in all aspects of personal safety, in partnership with their parents/guardians/caregivers.
- All adults in our College, including teaching and non-teaching staff, clergy, volunteers, and contractors, have a responsibility to care for children and young people, to positively promote their wellbeing and to protect them from any kind of harm or abuse.
- The policies, guidelines and codes of conduct for the care, wellbeing and protection of students are based on honest, respectful and trusting relationships between adults and children and young people.
- Policies and practices demonstrate compliance with legislative requirements and cooperation with the Church, governments, the police and human services agencies.
• All persons involved in situations where harm is suspected or disclosed must be treated with sensitivity, dignity and respect.
• Staff, clergy, volunteers, contractors, parents and students should feel free to raise concerns about child safety, knowing these will be taken seriously by school leadership.
• Appropriate confidentiality will be maintained, with information being provided to those who have a right or a need to be informed, either legally or pastorally.

4. DEFINITIONS USED IN THIS POLICY

4.1 Child: A child or a young person enrolled as a student at the College.

4.2 Child Abuse: Includes any act committed against a child involving:
• a sexual offence
• an offence under Section 49B(2) of the Crimes Act 1958 (grooming)
The infliction, on a child, of:
• physical violence
• serious emotional or psychological harm
• serious neglect of a child (Ministerial Order No. 870)

4.3 Child Safety encompasses matters related to protecting all children from child abuse, managing the risk of child abuse, providing support to a child at risk of child abuse, and responding to incidents or allegations of child abuse. (Ministerial Order No. 870)

4.4 Child Neglect: The failure by a parent or caregiver to provide a child (where they are in a position to do so) with the conditions that are culturally accepted as being essential for their physical and emotional development and wellbeing. (Safe Schools Hub)

4.5 Child Physical Abuse: Generally, child physical abuse refers to the non-accidental use of physical force against a child that results in harm to the child. Physically abusive behaviours include shoving, hitting, slapping, shaking, throwing, punching, kicking, biting, burning, strangling and poisoning. The fabrication or induction of an illness by a parent/carer (previously known as Munchausen Syndrome by proxy) is also considered physically abusive behaviour. (Safe Schools Hub)

4.6 Child Protection: Statutory services designed to protect children who are at risk of serious harm (Safe Schools Hub).

4.7 Child Sexual Abuse: Any sexual activity between a child under the age of consent (16) and an adult or older person (i.e. a person five or more years older than the victim) is child sexual abuse.

4.7.1 Child sexual abuse can also be:
• any sexual behaviour between a child and an adult in a position of power or authority over them (e.g. a teacher); the age of consent laws do not apply in such instances due to the strong imbalance of power that exists between young people and authority figures, as well as the breaching of both personal and public trust that occurs when professional boundaries are violated;
• any sexual behaviour between a child and an adult family member, regardless of issues of consent, equality or coercion;
• sexual activity between peers that is non-consensual or involves the use of power or coercion;
• non-consensual sexual activity between minors (e.g. a 14-year-old and an 11-year-old), or any sexual behaviour between a child and another child or adolescent who, due to their age or stage of development, is in a position of power, trust or responsibility over the victim. Sexual activity between adolescents at a similar developmental level is not considered abuse. (Safe Schools Hub)

4.8 Mandatory Reporting: The legal requirement to report suspected cases of child abuse and neglect is known as Mandatory Reporting. Mandated persons include teachers, nurses, police, psychologists, psychiatrists and medical practitioners. (Safe Schools Hub)
4.9 **Reasonable Belief:** When staff are concerned about the safety and wellbeing of a child or young person, they must assess that concern to determine if a report should be made to the relevant agency. This process of considering all relevant information and observations is known as forming a ‘reasonable belief’. A ‘reasonable belief’ or a ‘belief on reasonable grounds’ is not the same as having proof but is more than mere rumour or speculation. A ‘reasonable belief’ is formed if a reasonable person in the same position would have formed the belief on the same grounds.

4.10 **School environment** means any physical or virtual place made available or authorised by the school governing authority for use by a child during or outside school hours, including:

- a campus of the College;
- online school environments (including email and intranet systems);
- other locations provided by the College for a child’s use (including, without limitation, locations used for school camps, sporting events, excursions, competitions, and other events). *(Ministerial Order No. 870)*

4.11 **School Staff** means an individual working in a school environment who is:

- directly engaged or employed by a school governing authority;
- a volunteer or a contracted service provider (whether or not a Body Corporate or any other person is an intermediary);
- a minister of religion *(Ministerial Order No. 870).*

6.2 The College has allocated roles and responsibilities for child safety as follows:

6.2.1 Guide to Responsibilities of College Leadership:
The Principal, the school governing authority and school leaders at the College recognise their particular responsibility to ensure the development of preventative and proactive strategies that promote a culture of openness, awareness of and shared responsibility for child safety.

Responsibilities include:
- creating an environment for children and young people to be safe and to feel safe;
- upholding high principles and standards for all staff, clergy, volunteers, and contractors;
- promoting models of behaviour between adults and children and young people based on mutual respect and consideration;
- ensuring thorough and rigorous practices are applied in the recruitment, screening and ongoing professional learning of staff;
- ensuring that school personnel have regular and appropriate learning to develop their knowledge of, openness to and ability to address child safety matters;
- providing regular opportunities to clarify and confirm legislative obligations, policy and procedures in relation to child and young people’s protection and wellbeing;
- ensuring the College meets the specific requirements of the Victorian Child Safe Standards as set out in Ministerial Order No. 870.

6.2.2 Guide to Responsibilities of College Staff:
Responsibilities of College staff (College employees, volunteers, contractors and clergy) include:
- treating children and young people with dignity and respect, acting with propriety, providing a duty of care, and protecting children and young people in their care;
- following the legislative and internal College processes in the course of their work, if they form a reasonable belief that a child or young person has been or is being abused or neglected;
- providing a physically and psychologically safe environment where the wellbeing of children and young people is nurtured;
- undertaking regular training and education in order to understand their individual responsibilities in relation to child safety and the wellbeing of children and young people;

- following the College’s Child Safety Code of Conduct;
- wearing the official College lanyard with photo ID at all times when on the College premises to ensure that official staff only are interacting with students. Official visitors’ lanyards are to be used by visiting adults.
6.2.3 Organisational Arrangements
The College enacts this commitment to child safety through:
• appointment of a Child Protection Officer (Deputy Principal, Community);
• a budget allocation to enable regular training and education in order to understand their individual responsibilities in relation to child safety and the wellbeing of children and young people;
• participation in the Diocesan child protection network;
• use of a College website and newsletter to remind and to keep parents/carers informed of child safety commitments, procedures and arrangements.

7. EXPECTATION OF OUR STAFF – CHILD SAFE CODE OF CONDUCT

7.1 At St Joseph’s College, we expect College employees, volunteers, contractors and clergy to proactively ensure the safety of students at all times and to take appropriate action if there are concerns about the safety of any child at the College. All College staff must remain familiar with the relevant laws, the code of conduct, and policies and procedures in relation to child protection and to comply with all requirements.

7.2 We have developed a Child Safety Code of Conduct, which complements the Mercy Code of Conduct agreed to by all staff, which recognises the critical role that College staff play in protecting the students in our care and establishes clear expectations of College employees, volunteers, contractors and clergy for appropriate behaviour with children in order to safeguard them against abuse and or neglect.

7.3 Our Code also protects College staff through clarification of acceptable and unacceptable behaviour.

8. STUDENT SAFETY PARTICIPATION

8.1 At St Joseph’s College, we actively encourage all students to openly express their views and feel comfortable about giving voice to the things that are important to them.

8.2 Through the Keeping Safe curriculum, we teach students about what they can do if they feel unsafe and enable them to understand, identify, discuss and report on child safety. We listen to and act on any concerns students, or their parents/carers raise with us.

9. REPORTING AND RESPONDING

9.1 Our College records any child safety complaints, disclosures or breaches of the Child Safety Code of Conduct, and stores the records in accordance with security and privacy requirements. Our College complies with legal obligations that relate to managing the risk of child abuse under the Children, Youth and Families Act 2005 (Vic.), the Crimes Act 1958 (Vic.) and the recommendations of the Betrayal of Trust Report.

9.2 Child protection reporting obligations fall under separate pieces of legislation with differing reporting requirements.

9.3 Catholic schools in the Diocese of Ballarat follow the joint protocols outlined in the “Identifying & Responding to All Forms of Abuse in Victorian Schools” resource and associated processes, published jointly by the Department of Education and Training and the Catholic Education Commission of Victoria. This resource is located on a new Department of Education and Training child safety site - PROTECT.

9.4 All teachers, other staff, parish priests, and governing authorities of Catholic schools in the Diocese of Ballarat must understand and abide by the professional, moral and legal obligations to implement child protection and child safety policies, protocols and practices outlined in the PROTECT resource.

9.5 It sets out the actions required under the relevant legislation when there is a reasonable belief that a child at our school is in need of protection or a criminal offence has been committed, and provides guidance and procedures on how to make a report.
9.6 This approach assists staff, volunteers and families to:

- identify the indicators of a child or young person who may be in need of protection
- understand how ‘reasonable belief’ is formed;
- make a report of a child or young person who may be in need of protection;
- comply with mandatory reporting obligations under child protection law and their legal obligations relating to criminal child abuse and grooming under criminal law.

9.7 Local Arrangements for Reporting Concerns

9.7.1 Our College has established internal processes to ensure that appropriate action is taken to respond to concerns about the wellbeing and/or safety of a student. Our College Child Protection Officer plays an essential role in ensuring that our College is a Child Safe School.

9.7.2 Staff and volunteers with concerns about the wellbeing and/or safety of a student can seek advice from the Child Protection Officer and/or the Principal, who can assist you to make a report. If your concern is about the Principal’s conduct, you can speak to the School Governing Authority or to the Catholic Education Office Ballarat - Child Protection Officer.

9.7.3 Parents/Carers with concerns about the wellbeing and/or safety of a student, can speak to the Child Protection Officer or the Principal, who can assist you to decide if it is necessary to make a report. If your concern is about the Principal’s conduct, you can speak to the School Governing Authority or to the Catholic Education Office Ballarat Child Protection Officer.

9.8 Our complaints and disclosure processes are outlined and detailed in the College Complaints and Concerns Policy.

10. SCREENING AND RECRUITMENT OF COLLEGE STAFF

10.1 The College will apply thorough and rigorous screening processes in the recruitment of employees and volunteers involved in child connected work. Our commitment to child safety and our screening requirements are included in all advertisements for such employee, contractor and volunteer positions, and all applicants are provided with copies of the College Child Safety Code of Conduct and this Child Safety Policy.

10.2 When recruiting and selecting employees, contractors and volunteers involved in child connected work, the College follows the CECV Guidelines on the Employment of Staff in Catholic Schools, which includes a checklist aligned with the Child Safe Standards. This resource is available at: http://www.cecv.catholic.edu.au/Industrial-Relations/Policies-and-Guidelines/Child-Safety.

10.3 We make all reasonable efforts to:

- confirm the applicant’s Working with Children Check and National Police Check status and/or professional registration (as relevant);
- obtain proof of personal identity and any professional or other qualifications;
- verify the applicant’s history of work involving children;
- obtain references that address the applicant’s suitability for the job and working with children.

10.4 We have processes for monitoring and assessing the continuing suitability of College staff to work with children, including regular reviews of the status of Working with Children Checks and staff professional registration requirements such as Victorian Institute of Teaching (VIT) registration.

11. CHILD SAFETY – EDUCATION AND TRAINING FOR COLLEGE STAFF

11.1 The College provides employees, volunteers and clergy with regular and appropriate opportunities to develop their knowledge of, openness to and ability to address child safety matters. This includes induction, ongoing training and professional learning to ensure that everyone
understands their professional and legal obligations and responsibilities, and the procedures for
reporting suspicion of child abuse and neglect.

11.2 Staff Induction specifically includes:

  complaints;

  connected work.

11.3 Staff Professional Learning provides opportunities for staff (and where appropriate,
volunteers) to:

• maintain, develop and improve skills and capabilities around child safety, including relevant
  legislative requirements;
• develop understanding of the risk of harm to children; the different types of harm; and how
  to identify grooming and abuse;
• understand and build confidence around their reporting obligations;
• complete the annual online mandatory reporting module.

12. RISK MANAGEMENT

12.1 At the College we are committed to proactively and systematically identifying and assessing
risks to student safety across our whole school environment, and reducing or eliminating (where
possible) all potential sources of harm. We document, implement, monitor and periodically review our
risk management strategies for child safety and ensure that the strategies change as needed and as
new risks arise.

12.2 We will enact this commitment through:

• child safety as a standing item on staff meeting agenda;
• periodic review of the Child Safety Risk Register;
• completing a risk assessment of all new activities.

13. RELATED LEGISLATION

• Crimes Act 1958 (Vic.) – including 2015 updates of offences

14. BREACH OF POLICY

14.1 Where an employee is suspected of breaching any obligation, duty or responsibility within this
Policy, St Joseph’s College may start the process under Clause 13 of the Victorian Catholic Education
Multi Enterprise Agreement 2013 (VCEMEA) for managing employment concerns. This may result in
disciplinary consequences.

14.2 Where the Principal is suspected of breaching any obligation, duty or responsibility within this
policy, the concerned party is advised to contact the School Governing Authority. Relevant notification
should also be made to the Director of Catholic Education, Diocese of Ballarat.

14.3 Where any other member of the College community is suspected of breaching any obligation, duty or responsibility within this policy, the Principal is to make the necessary reports or to seek advice from the Catholic Education Office Ballarat.

15. REVIEW OF THIS CHILD SAFETY POLICY
