St Joseph’s College, as a Catholic Mercy School, aims to see Christ in all the people of this community, making the College a place of hope and love.

1. RATIONALE

1.1 “We aspire to live by the core values of spirituality, compassion, justice, excellence, hospitality, community and service.”

(Vision Statement)

1.2 “By virtue of their belonging to the Catholic community, children have a right to education in our Catholic Schools. Parents choosing to exercise that right on behalf of their children accept the consequence of obtaining funds to cover the cost involved in providing such education.”

1.3 “However children should not be excluded from Catholic Schools because their parents are unable to pay school fees.”

(Enrolment Guidelines for Victorian Catholic Schools)

2. PURPOSE

2.1 Fees for education in a Catholic school are an in-built component of the total funding of Catholic Education.

2.2 A proportion of the funding for Catholic Schools comes from the Commonwealth and State Governments. The remaining proportion of the funding is raised through private financial contribution to supplement the government’s contribution.

2.3 The major source of this private financial contribution is the School Fee which maybe supplemented with other contributions, e.g. donations, fundraising activities.

3. OVERVIEW

3.1 St Joseph’s College is one of seven Catholic Secondary Colleges in Victoria owned and administered by the Sisters of Mercy of Australia and Papua New Guinea Inc. It is a Catholic School and is conducted in accordance with the teachings of the Catholic Church, as interpreted by the Bishop of the Diocese of Ballarat in the spirit of Mercy.

3.2 St Joseph’s College is also a business (albeit a non-profit organisation) with assets and liabilities and importantly, the need for a managed cash flow. As with any other business, the College has employees, creditors and loan repayments, which have to be met as and when they fall due.

3.3 In determining the fee structure for the College, the College Advisory Council is aware of the necessity to keep it as realistic as possible to cater for the wide income range of parents of the
College, whilst also considering the needs of the College in its endeavors to provide ever expanding curriculum opportunities and facilities to students.

4. POLICY OBJECTIVES

4.1 This Policy is developed to facilitate:

- Setting a level of fees that will encourage student enrolment through balancing the need for responsible financial management within the College while maintaining sensitivity to the financial capacity of parents.
- Provision of financial resources to maintain a wide ranging curriculum, which meets the needs of children for the development of their full potential.
- Provision of guidelines and procedures that are balanced, workable, effective and flexible so that the most desirable current year and past year fee collection rates are achieved, whilst at the same time keeping access to the College for all Catholic children.
- Delivery of special concern for the disadvantaged in keeping with the school policy, keeping in mind the matter of justice to other parents and students.
- Achievement of School Fee Policy goals in unison with the College’s overall policy and mission statement.
- The recovery of unpaid fees must be approached humanely and sensitively.

5. SCHOOL FEES

5.1 Tuition and Capital Fees

5.1.1 Fees are set each year with the approval of the Advisory Council. Fees are detailed in the Schedule of Fees normally issued each November and remain in force until such time as they are amended with the approval of the Advisory Council.

5.2 Fees are an annual fee charged over the first three terms, February, May and August. Fees charged are as follows:

- Tuition Fees per student
- Capital Levy per family

5.3 Refer School Fee Schedule.

6. SUBJECT LEVIES

6.1 Subject levies are determined by November each year and are based on perceived enrolments, student subject choices and costed requirements for the following year.

6.2 All students are required to pay levies without discount or remission, as these charges are basically a reimbursement to the College for materials and services paid or payable on behalf of students.

6.3 The subject levy is used to fund the purchase of classroom material for all Curriculum Domains and is normally due for payment in January at book collection time.

6.4 In addition to compulsory fees and levies, there are a number of optional activities available to students at different year levels, e.g. Debutante Ball, instrumental music and overseas study tours.

6.5 It should be noted that the payment of fees and levies takes priority over non-compulsory extra-curricular activities (i.e. tours, music lessons).

6.6 We would expect that expenditure on these optional activities would mean that all financial commitments for fees and levies have been fully paid or that satisfactory alternative arrangements have been made with the Business Manager.
7. **FAMILY DISCOUNTS**

7.1 If families have more than one child attending the College the following discount will apply:
   
   - 10% for second student
   - 100% for third + students

7.2 Fee discounts only apply to Tuition Fees.

8. **FEE REMISSIONS**

8.1 Tuition Fee remission, be it in part or in full, are granted to parents of students whose declared financial position indicates that they are unable to meet the set fees. Such concessions are granted at the discretion of the Principal and/or the Business Manager.

8.2 The College must ensure that parents are aware of the procedure to be followed in the case of financial hardship, in that, to establish eligibility for fee remissions, parents must make formal application for relief, supported by adequate personal financial information to be received by the end of the second week of the relevant term. Such special arrangements are to be reviewed annually.

8.3 Families entitled to the Education Maintenance Allowance, experiencing difficulty with fee payment, are asked to sign an authority to have the allowance credited to their fee account.

8.4 Discounts or remissions of fees may be considered:

   - Only after formal written application has been made.
   - Consideration will include the relative financial situation of the family supported by a statutory declaration from the applicants.
     
     a) Upon referral to data available regarding past payment practices, discounts received and support the family may have given the College by other means, e.g. Canteen, Bingo, Uniform Shop or other College functions and events.
     b) On the understanding that fee arrangements will be negotiated annually and the relative financial situation of the family updated.
     c) After verification of amounts received for Youth Allowance, Maintenance Allowance, Family Allowance or other sources.

9. **FEE COLLECTION**

9.1 Payment of Fees

9.1.1 Fees are normally due and payable within thirty (30) days of fees being generated, however the College offers the following special arrangements:

   - Direct Debit ~ weekly fortnightly, monthly, by term
   - Direct Credit ~ Payroll, Internet
   - EFTPOS Facility
   - Other arrangements by negotiation
   - Centrepay

9.2 Unless prior fee payment arrangements have been negotiated, every effort should be made to collect fees by the due date in each term. Where payment is not possible, contact should be made to offer one of the fee repayments options listed above.

9.3 If scheduled payments are not being received, contact will be made with the family renegotiating the missed payment. If necessary, parents will be requested to attend an interview for the purpose of arranging a firm undertaking to pay outstanding fees.
9.4 The College has developed a Fee Collection Procedure, which outlines the process for fee recovery.

10. ARRANGEMENTS FOR DEFERRED PAYMENT

10.1 Where the family of a student cannot meet tuition fees by the due date or they wish to pay fees by instalments, they are to contact the Business Manager as soon as possible, but not later than the due date. These requests may be made by telephone or in person but are preferred in writing. They will be considered on an individual basis.

10.2 If the situation facing the family changes, where they are not able to meet the normal requirements of the College, in relation to the payment of school fees, then the family must inform the College of the change in their situation.

11. ACTION TAKEN ON OVERDUE ACCOUNTS

11.1 Fees are charged in advance on a term-by-term basis. The due date for payment is listed on the account unless special arrangements are made. Reminder statements are issued where payment is overdue or where a family is in default of an agreed arrangement.

11.2 Parents who have selected to pay their accounts by instalment and the instalment is overdue, or in the case of a Direct Debit, have insufficient funds, then a letter will be sent home requesting that payment be rectified.

11.3 The case of parents who are unwilling to pay fees, pose greater difficulties. Such cases are likely to surface only after the student has commenced at the College, and parents refuse or are reluctant to meet their financial commitments.

11.4 Every effort will be made to help those parents understand their obligations.

11.5 Recovery of unpaid fees will be approached humanely and sensitively to protect the student as much as possible from the public embarrassment that could arise.

11.6 It becomes a matter of justice to the other parents and students, that all should meet their debts. Families avoiding their obligations to pay place an increased burden on parents making payments. This also decreases the College’s ability to provide the best possible education.

11.7 The College may employ the services of a debt collector and/or solicitor to assist in recovering monies due, when clearly the parent/guardian is able to meet the payment but is unwilling to do so.

11.8 Action is taken on overdue accounts as a last resort after all other measures have failed.

12. SPECIAL DISCOUNTS

12.1 Any granting of concessions is at the discretion of the College Principal, and will only be considered after a meeting between the family and the Business Manager, during which the circumstances justifying the need for a concession will be fully discussed.

12.2 The Principal and Business Manager will agree to a special discount on an individual basis, depending on the circumstances at the time, subject to the Fee Collection Policy. This arrangement is for one year only.

13. CHANGE IN THE RELATIONSHIP BETWEEN PARENTS/GUARDIANS

13.1 Parents/Guardians must inform the Principal if there is a change in their relationship with each other since the completion of their application form (e.g. divorce or separation). If any change
regarding responsibility for tuition fees is proposed, then a new form is to be completed by the person who is proposed to assume obligation of the paying of school fees.

14. **BURSARIES**

14.1 The College offers the following bursaries to families on a financial needs basis:

- 20 ~ Year 7 Bursaries
- 10 ~ Year 11 Bursaries

14.2 Currently the College Bursary is for $300 per annum, to be used for fee relief.

14.3 Application forms are available from the Principal’s Secretary.

15. **REFUND OF FEES TO EXISTING STUDENTS**

15.1 The College bases its teacher staffing and other related educational expenses on the student population as at the February census each year.

15.2 Where a student exits the College mid-term, it cannot be assumed that another student will be waiting to fill their position. The College is committed to the above expenditure and could not reasonably consider refunds in these cases.

15.3 A minimum of one term’s notice (i.e.) 10 weeks in writing is required advising the College the student is exiting. In absence of such notice, a term’s fees will be required.

15.4 Students would be eligible for a refund only of those compulsory camps and elective charges which have not been undertaken, as well as full reimbursement of all fees paid in advance.

15.5 Parents may appeal in writing should they believe that their circumstances are exceptional.

16. **CAMPS**

16.1 The College offers compulsory camps at most year levels. This can often involve an external provider to facilitate camps; costs also include the booking of buses, accommodation and food.

17. **MONEY PAID AS A DEPOSIT WILL NOT BE REFUNDED**

17.1 If a student withdraws a refund will only be given if there are sufficient funds available after the camp (then either a pro rata or full re-imbursement will be issued after finalisation of expenses).

17.2 The College requires details of pre-existing medical conditions well in advance of camps so that bookings can be adjusted.

18. **OVERSEAS STUDENTS**

18.1 **Exchange Students**

The College encourages the Exchange Student Program. We welcome those overseas students who elect to visit our College and also those of our students who have the privilege to visit overseas schools under the Exchange Program.

18.2 Incoming overseas students will be exempt from Tuition Fees and Capital Levy. They will be expected to pay for all subject and learning technology charges, specific subject levies, compulsory camp charges together with any elective trips or camps.

18.3 Students embarking on an Exchange Studentship will not be charged any Fees or Levies during the time of their absence.
18.4 Their place at the College will be guaranteed on their return.

18.5 This is conditional on the period of exchange not exceeding twelve months and the student not remaining overseas in excess of the period of the exchange.

18.6 For further details please refer to the College Exchange Student Policy.

19. APPLICATION FEE

19.1 An application fee is charged to all prospective students who have enrolled during the year preceding their commencement at the College.

19.2 This fee is charged at the time that a place is confirmed and offered to the family. Payment of the fee indicates a clear commitment of intention by the parent(s) to take up the place that has been offered.

19.3 The current application fee for 2014 is $70. This will be reviewed on an annual basis.

19.4 In the event that the parent/guardian subsequently withdraws the child prior to commencing the College, no refund will be given, unless special circumstances apply.

20. RE-ENROLMENT FEE

20.1 Each year families are charged a re-enrolment fee of $100 per family.

20.2 The re-enrolment fee will be charged in August/September each year at subject selection time and will be deducted from the fees the following year.

20.3 If the student does not commence the following year this fee is non refundable, unless the student is moving from the Sunraysia area.

21. FEE COLLECTION GUIDELINES

21.1 The fee collection process is as follows:

i. At the end of each term, families will receive an account balance. A letter accompanies these statements reminding families to contact the College if they are experiencing difficulties meeting fee payments.

ii. If payment is not received, a second letter is sent to the family requesting payment or inviting them to attend a meeting with the Business Manager.

iii. If payment is not received or an appointment made a third letter is sent, reminding families that unpaid fees cause hardship for the College requesting an appointment to discuss fee repayment.

iv. These reminders are followed up by telephone calls from the Business Manager.

v. If no payment or contact is made, a final notice is issued by the College.

vi. In the absence of a response the matter is forwarded to a Collection Agency.

21.2 As the College is not fully funded by the government, it relies on the family fee collection and support from the College community.

21.3 Parents acknowledge their obligation to honor their fee payments when they sign the enrolment/re-enrolment form.
21.4 The Business Manager will monitor the payment of fees and make contact with families when they fail to meet their obligations.

22. CONFIDENTIALITY

22.1 All information which is made available to the Principal and Business Manager will be treated in the strictest confidence.
