

ST JOSEPH'S
COLLEGE MILDURA

From the desk of the Principal

12 March 2020

Dear Parents and Carers

Our first priority at St Joseph's College is the health and safety of our school community.

I want to reassure you that the college is well-prepared for the impact of COVID-19 (coronavirus).

We are being provided the latest advice from the Australian and Victorian Chief Medical Officers by the Catholic Education Commission of Victoria Ltd to ensure that our college practices are helping to keep our school community safe from the outbreak.

Any incidents that arise will be addressed in accordance with our Critical Incident and Emergency Management Plan. We will also have access to resources and support from Catholic Education Melbourne and the Department of Health and Human Services.

I am aware of concerns about the disruption to teaching, especially among families of students in Year 12. The Victorian Curriculum and Assessment Authority, which is responsible for the VCE, is aware of the situation and has advised that it will work with schools to ensure continuity of learning for all students.

As parents, you have a critical role in helping the college manage this situation:

- Exercise good judgment by keeping children home if they are feeling unwell for any reason.
- Talk to children about the situation, as they may be feeling anxious or stressed. You have a key role in helping students feel prepared and safe.
- Encourage children to be proactive and committed to their schoolwork, and to stay connected with the college and their teachers.

The Department of Health and Human Services has a number of resources on its website, which explain the virus, detail risk-reduction practices and behaviours, and answer frequently asked questions. These are available at www.dhhs.vic.gov.au/coronavirus. You can also find information about Catholic education's response at <http://www.cecv.catholic.edu.au/Coronavirus-information-for-parents>.

This is an evolving situation, but we will keep you updated as things change.

I ask that you continue to work closely with the college and to contact my office should you have any new concerns. Thank you for your support as we work to keep our students safe.

Yours sincerely

Mrs Marg Blythman
Principal
