

Remote Learning Ready

UPDATE

Congratulations

Congratulations to everyone on successfully embracing remote learning. True, the change remains quite new, but everyone has adapted so well.

I am proud to see you are turning up for classes in your winter uniform ready to learn and I commend the teachers and staff for working with you to create learning success.

Mercy in Action

The Mercy Action Group, in conjunction with our catering team, are pleased to announce the Community Connections Hospitality Program. From next week, you will have the opportunity to order a meal for your family or a loved one in the community – perhaps a grandparent, friend or relative who is socially isolated. There is no cost for this service and we will arrange for contactless delivery. An order form will be sent out at the beginning of next week so please stay tuned.

Technology Trouble

Grappling with gremlins? Whenever something isn't working, take a deep breath and:

- Close and restart the app.
- Turn your laptop off. Wait a minute, then turn it on again.
- If there are any error messages, search online for suggestions on how to remedy.
- Ask one of your classmates or a parent for help.
- If the issue concerns your laptop itself and none of the above suggestions help, please email inttec@sjcnda.vic.edu.au

**I will teach you in a room.
I will teach you now on Zoom.
I will teach you in your house.
I will teach you with a mouse.
I will teach you here and there.
I will teach you because I care.
So just do your very best.
And do not worry about the rest.**
