Dear St Joseph's College Families

Due to the recent announcement from the Acting Premier of Victoria, Mr James Merlino, Victoria will enter a 7-day circuit breaker from 11:59pm this evening. As a result, Friday May 28 will be a Staff Professional Practice Day and a Student Home Study Day. On Monday May 31 to Thursday June 3 students and staff will revert to Remote Learning. At this point in time school will resume on Friday June 4.

Students have been asked to take their laptop and school materials home today to allow them to complete work from home.

**Vulnerable children and the children of essential workers**

For those parents/guardians who are working in essential services (ambulance, fire, hospitals, medical professions etc.), and students who are vulnerable (children in out-of-home care, children deemed by Child Protection and/or Family Services to be at risk of harm, children identified by the school as vulnerable, including via referral from a family violence agency, homelessness service, mental health service or other health service), the college will be providing supervision for their children during school hours on Monday May 31 to Thursday June 3.

If you are intending to send your child to school, please notify Mrs Jacinta Jones via email [jjones@sjcmda.vic.edu.au](mailto:jjones@sjcmda.vic.edu.au) as soon as possible. Please advise the essential service you are involved in/vulnerable circumstances, along with your child's name, to allow us to have adequate supervision during the day.

We thank you for your support and understanding during this time.

Yours sincerely

**Mrs Marg Blythman**  
Principal
