

ST JOSEPH'S
COLLEGE MILDURA

From the desk of the Principal

9 August 2021

Dear St Joseph's College families

Thank you for all your support during these past few days of remote and flexible learning.

Following advice from the Chief Health Officer, the Victorian Government and the Catholic Education Commission of Victoria Ltd (CECV), we have been advised that students will return to onsite schooling tomorrow Tuesday August 10, 2021.

All students will be expected to attend school as normal. This means if you choose to keep your child/children home after the return to onsite schooling, we can no longer support their learning from home.

This does not apply to children who need to be absent for health or medical reasons. For those families, please contact us so we can make an appropriate plan.

To support the health and wellbeing of all students and staff, our school will continue an enhanced cleaning routine and will encourage frequent handwashing.

If your child is ill or is feeling unwell, they must not attend school. They must remain home and seek medical advice.

Students will be required to wear their mask when travelling to and from school, in the classroom and outside except if an exemption applies.

We understand that some families may feel anxious about this move back to classroom teaching and learning. I can assure you that this decision has been taken on the basis of the best health advice available to our state.

Thank you for your continued support and patience during this time. We look forward to welcoming students back to the classroom.

God bless

Mrs Marg Blythman
Principal
