

FEE CONCESSION APPLICATION

ST JOSEPH'S
COLLEGE MILDURA

ENRICH
INSPIRE
ACHIEVE

General Information

Catholic schools have a long tradition of offering school fee relief and assistance to families facing financial difficulties. St Joseph's College is committed to looking at ways to ease the financial strain on families, and to determine appropriate measures to best support the needs of families across the community.

St Joseph's College believes no child should be excluded from a Catholic education due to their parents being unable to pay the required school fees. Such families may be eligible for a fee concession if they are experiencing financial hardship for reasons outside of their control.

We appreciate how difficult it is for parents to come forward with financial concerns, but we will ensure each case is handled with care and discretion.

Please be aware the college will not consider personal financial choices when assessing applications. No allowance is made for repayments or expenses on items such as holiday houses, luxury cars, investment properties, pools, etc. Similarly, holidays, excessive housing costs and the cost of students' extra-curricular activities will not be considered when assessing a family's financial hardship. If a family's priorities include these expenses, the financial burden of that decision remains with the family and will not be subsidised by the college.

Concessions are not automatically carried over from year to year. A new application is required if a concession is needed beyond the current year. It is the family's responsibility to contact the college should they continue to require assistance the following year.

The college has at its disposal investigative resources to monitor publicly-available information relating to the financial activity of families. These resources will also be used when considering Fee Concession Applications.

The submission of a Fee Concession Application and subsequently entering into a payment plan may preclude a student's involvement in optional extra-curricular activities such as the Debutante Ball and overseas study tours. Please refer to the St Joseph's College School Fee Policy and Fee Concession Policy for further information.

Families whose financial circumstances improve and no longer require fee relief, must inform the Business Manager or Admissions and Fees Manager in a timely manner.

Process of Fee Concession

Step 1

Complete the Fee Concession Application form and **submit within seven days of your initial enquiry**. You must submit all supporting documentation with the application.

Please note: The college will not assess your application until it receives all documentation. Failure to do so will result in a concession not being offered.

Step 2

The Admissions and Fees Manager will review your application and request any additional information that may be required. You may then be contacted to arrange a meeting (in person) to discuss your situation further with the Business Manager.

Step 3

A decision on your application will be made and you will be notified in writing. Should your application be successful, details of the fee relief amount, agreed ongoing repayments and any other conditions will be provided to you in writing. Should your application be unsuccessful, you will be required to pay full fees as set out in the St Joseph's College Fee Schedule.
