Dear St Joseph College families

### GLOBAL FEE SCHEDULE 2023

Please read the following information carefully.

#### Key Points

- **CPI Projection 2022 – 8.5%**
- **Fee increase 2023 – 4.5%**
- **Two Additional Camps introduced in 2022. Year 7 Victor Harbor SA and Year 9 Central Australia NT**

Each year the college works hard to ensure financial stability while keeping fees to a minimum. The decision to raise fees is not taken for granted or made without careful consideration of the resource needs of the college balanced against the capacity of families to contribute and the general economic conditions forecasted.

After careful consideration by Mercy Education Limited, College Advisory Council and the College Executive team, the Global Fees for 2023 have been set at:

**Year 7 - \$4509 and Years 8 to 12 - \$5679.**

This represents a 4.5% rise and translates to \$3.73 per week at year 7 (\$194 per annum) and \$4.71 per week (\$245 per annum) for Years 8-12.

As a reminder Global fees cover all curriculum costs of attending St Joseph's College including all camps, excursions and the provision of a fully maintained laptop. The only expenses not covered are graduation ball tickets, uniforms, books and overseas travel.

The College also prides itself on the range and flexibility of help and assistance it provides to families and students in need not only on a financial level but also in terms of mental and emotional wellbeing issues.

As always if families feel they need assistance in any of the above areas, they are most welcome to contact the College on a confidential level.

Finally, I would like to take this opportunity to thank our St Joseph's families that have continued to support and trust us in the ongoing education of your children during these very trying times.

If you have any queries, please don't hesitate to contact me on 50188000.

Your sincerely

Mr David Lim
